How to join a Barnett Waddingham Fuze meeting as an external attendee

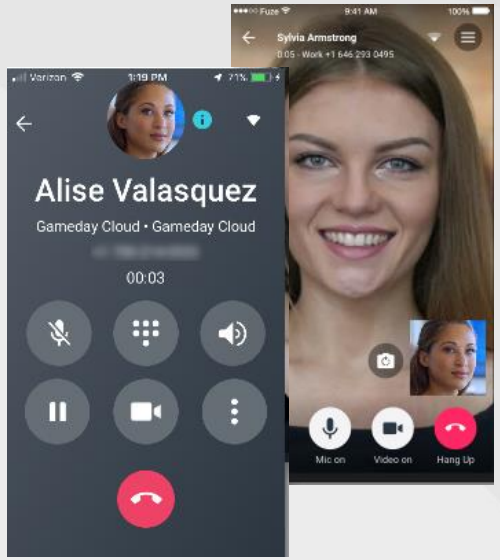
Fuze web

- **Fuze Web** is the web-based version of Fuze that can be used anywhere you have a Google Chrome™ browser and internet access
- Navigate to https://web.fuze.com/#/auth/guest and enter the **meeting ID**

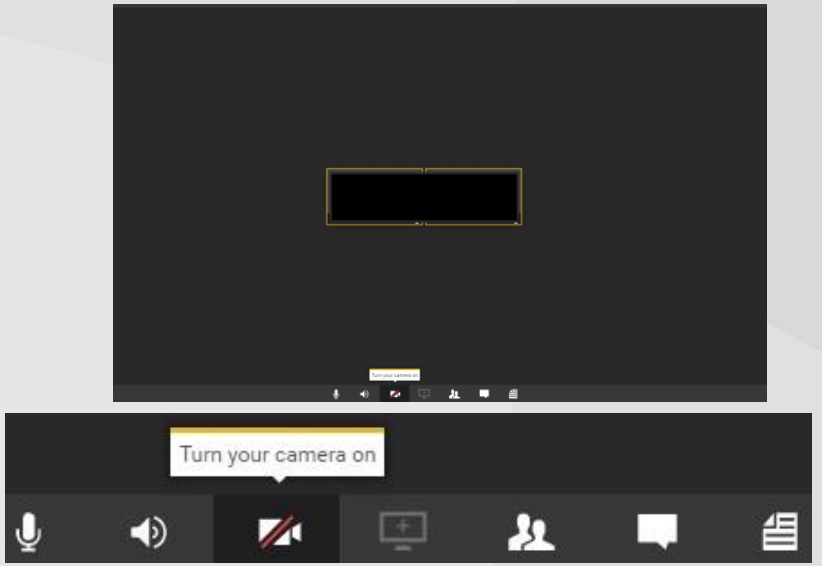
Video meeting

- You can enable video at the start or during a meeting if you have a camera on the mobile device or computer you using
- Feature is supported on **Fuze mobile app** and **Fuze web**

Mobile Device



Fuze Web

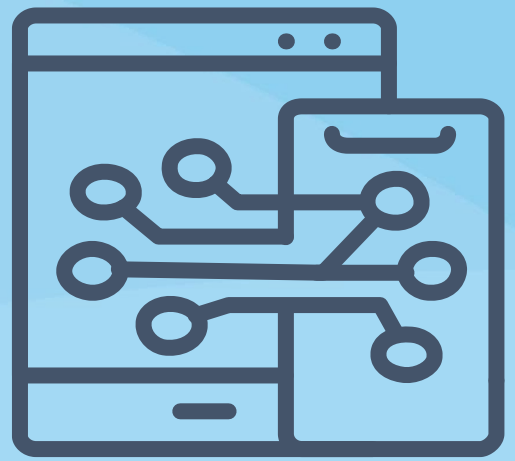


Join by phone

- United Kingdom: +44 20 3966 1485, ***meeting ID#***
- Toll-free: 0800 917 0889, ***meeting ID#***

Call my phone

- Tap link in the Fuze meeting email or enter it manually into the search bar on your computer or mobile browser
- Tap **More ways to join**, then **Join by Phone**
- In **Your number**, enter the number that you want to use to join the meeting
- In **Your name**, enter your name so the host can correctly identify you
- Tap the **I'm not a robot** box
- Tap **Call me now**.



Fuze mobile app

- Tap link in the Fuze meeting email or enter it manually into the search bar on your mobile browser
- Tap the **Download Fuze** tile
- If you are using **iOS**, the App Store opens on your device. If you are using **android**, the Google Play Store opens on your device
- Download Fuze mobile on your device
- Click join as **guest** and enter **meeting ID**
